EXAMINER'S COMMENT

Applicant's submission of the supplemental amendment filed on 08/15/2008, where new claims 80-189 have been added to the amended claims filed in the response received on 08/04/2008 is improper, and has not been approved for entry. As stated in the Office communication mailed 07/28/2008, applicant was to present the dependant claims 3, 10, 11, 17, 28, 35, 37, 49, 50, 55, 63, 64, and 68, in independent form, in which the response received on 08/04/2008 has been in compliance. A review of the proposed newly added claims 80-189 would require further examination for compliance with at least 35 USC §112, 1st and 2nd paragraphs, in addition to all formal and substantive requirements. Also, as stated in the prior Office communication, "Prosecution is otherwise closed."

Furthermore, the supplemental amendment does not comply with 37 C.F.R. §1.111(a)(2), as to the following:

37 C.F.R. §1.111(a)(2) Supplemental replies.

(i) A reply that is supplemental to a reply that is in compliance with § 1.111(b) will not be entered as a matter of right except as provided in paragraph (a)(2)(ii) of this section. The Office may enter a supplemental reply if the supplemental reply is clearly limited to:

- (A) Cancellation of a claim(s);
- (B) Adoption of the examiner suggestion(s);
- (C) Placement of the application in condition for allowance;
- (D) Reply to an Office requirement made after the first reply was filed;
- (E) Correction of informalities (e.g., typographical errors); or
- (F) Simplification of issues for appeal.

(ii) A supplemental reply will be entered if the supplemental reply is filed within the period during which action by the Office is suspended under §1.103(a) or (c).

Therefore, the supplemental amendment has not been approved for entry.
